Discover & Explore Songs & Playlists

🔴 The **"What's Hot"** or **"Spotlight"** banners feature weekly playlists or artists.
🔵 Explore & discover **Playlists, Artists, Albums, New Arrivals** and **Trending.**

🟢 The **Home** screen also features other categories like **"Featured Songs," "More of what you'd like,"** etc.

Getting Around

![freegalmusic+ logo]

Navigation & Main Menu

These are persistent throughout the app, allowing access to all your music and settings.

### Bottom Navigation
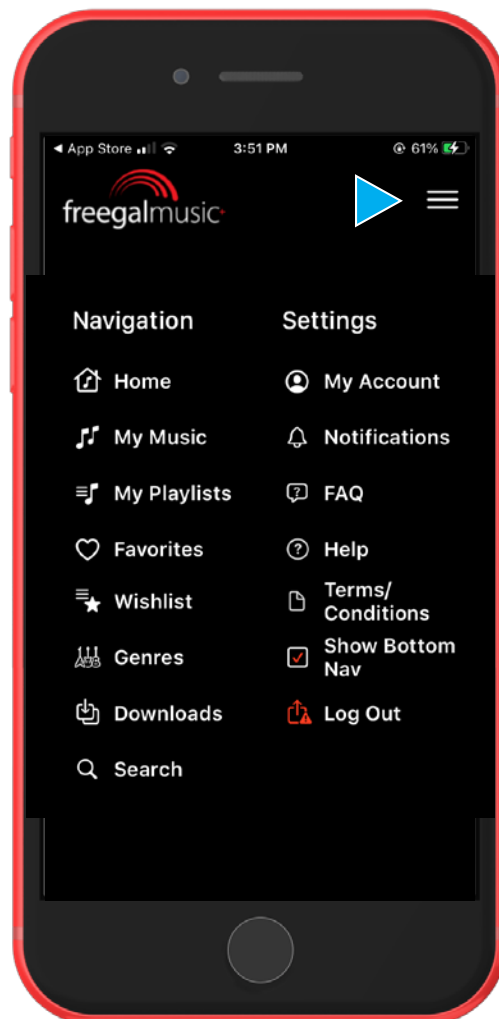

Easy access to

1.) Home
2.) My Music
3.) Search

The **My Music** screen gives you access to

1.) Playlists
2.) Favorites
3.) Wishlist
4.) Downloads
5.) Search

Main Menu
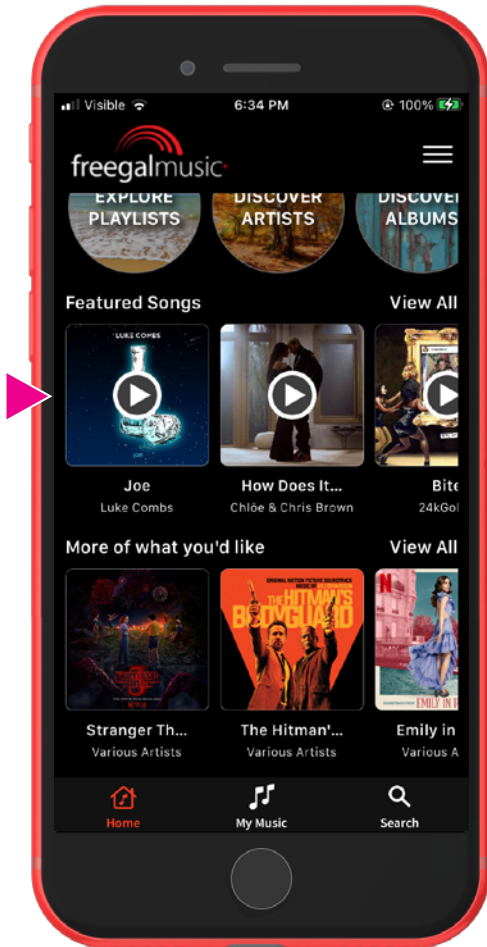

Tapping the **Hamburger Menu** will give you access to many areas including your **Settings.**

Playing Music

## Tap Play Button or Song in Playlist

1

Tapping the **Play Button** over a single song will play the song.

2

Tapping on a **single song** in a list will also play the song.

When a song is playing, you can use the **Play Bar** to **Play** or **Pause** a song.

3

Tapping the **Play Bar** expands the current song where you can **Play, Pause** or **Skip** to the next or previous song.
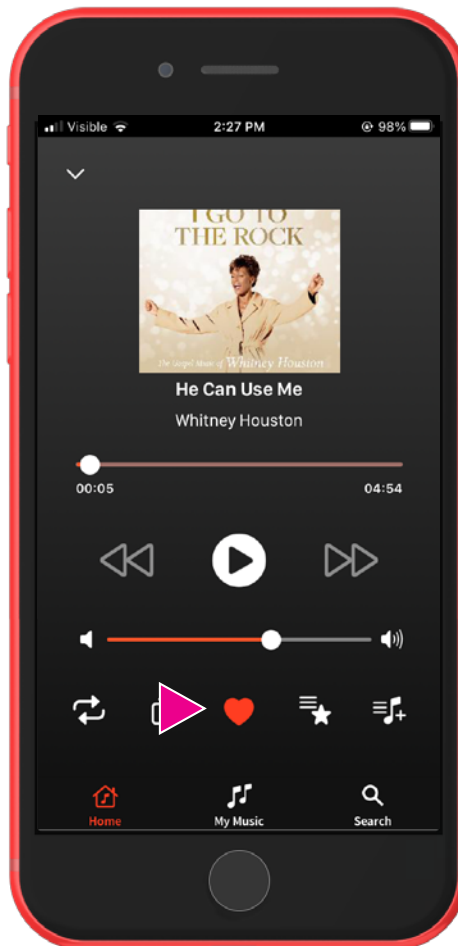

Favorites & Wishlist

Adding Songs, Albums & Playlists

You can add both single songs or entire albums to your **Favorites.** and single songs to your **Wishlist.**

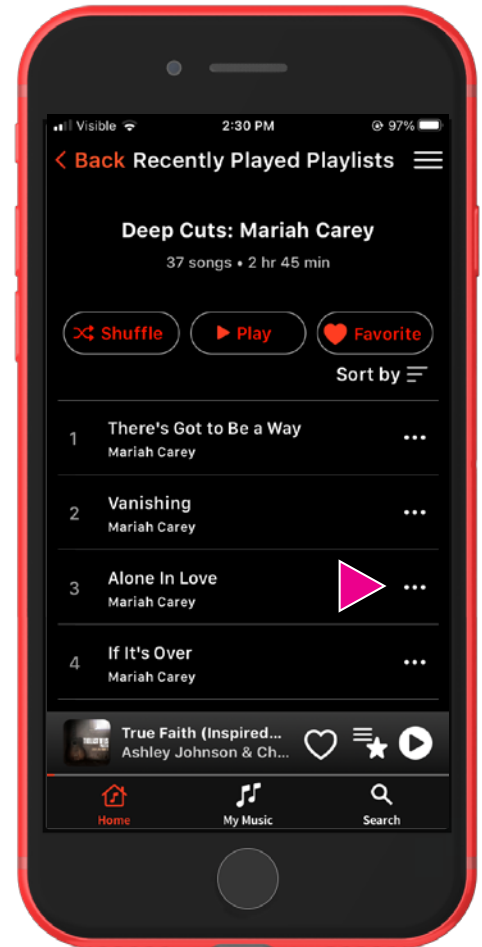

1

On the **Playlist/Album** screen you can add the entire album or playlist to your Favorites, or add a single song to your Favorites or Wishlist from the **Play Bar.**

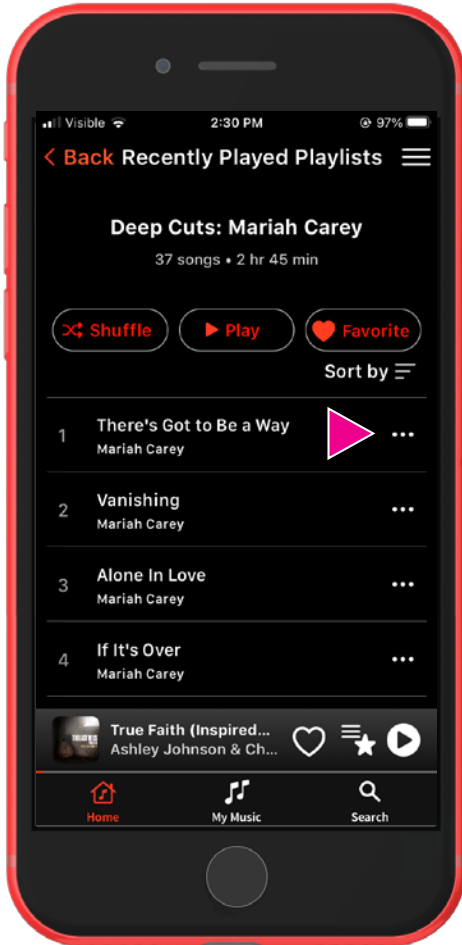

2

When you expand the **Play Bar,** you can also add the song to your **Favorites** or **Wishlist.**

3

Tapping on the **ellipsis** in a playlist will also allow you to add a song to your **Favorites** or **Wishlist.**

Favorites & Wishlist

freegalmusic+

## Adding Songs from a Playlist

1

Tap the **Ellipsis** next to the song in the playlist.

2

Choose **Favorites** or **Wishlist.**

3

You will receive a conformation of your choice and the song will be added to you **Favorites** or **Wishlist.**
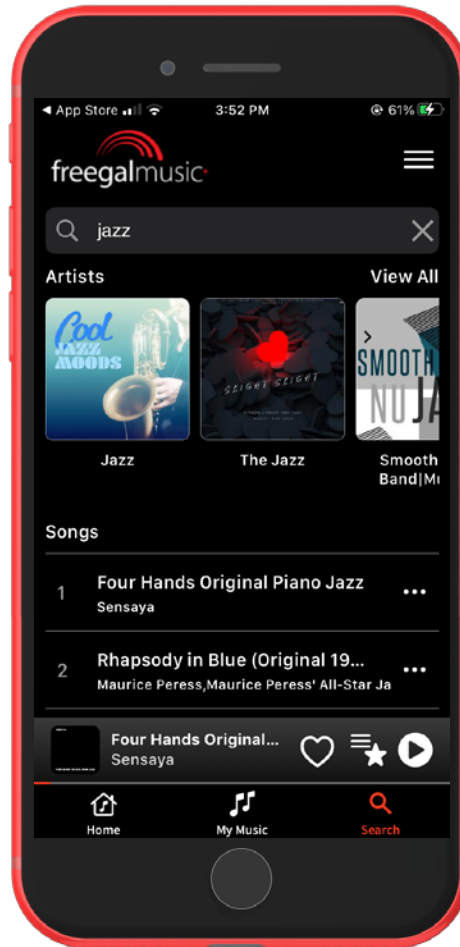

Finding Music

## General and Targeted Searches

1

Tap the Search icon in the bottom nav and enter your search term in the search field.

**Power Tip:** tap the microphone icon and enter terms audibly.

2

The AI search function will return the most relevant results.

3

In the example above, your search would be narrowed to **Artists**.
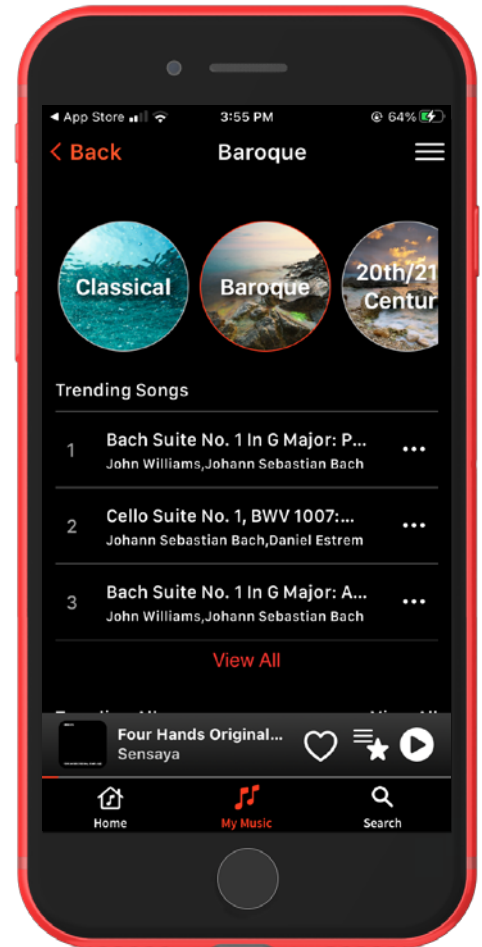

Finding Music

Genres

1

You can find **Genres** in the **Main Menu** (tap the hamburger icon).
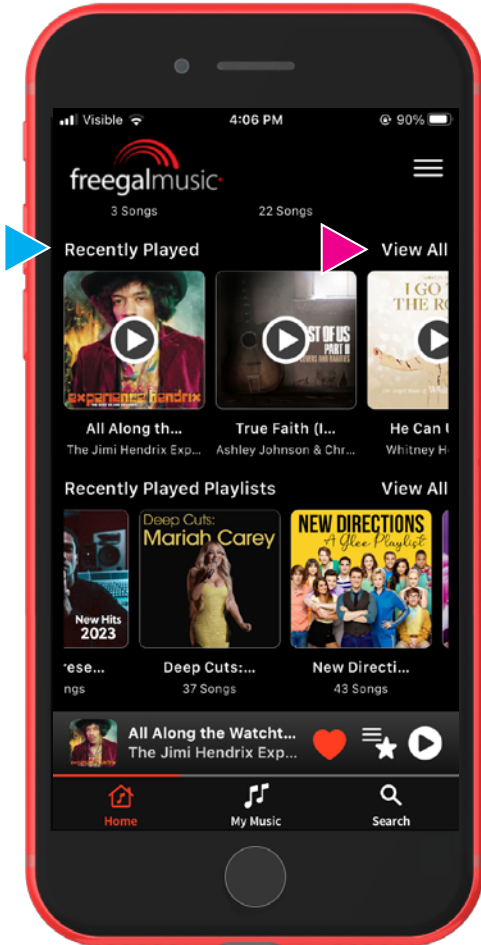

2

When you choose a **top Genre,** you will also see **sub-genres** in the circles at the top.
3

Find the music you like by exploring the **sub-genres.**

Your Music

Recently Played

1

Recently played Songs will appear on your **Home** page.

2

Here you will also find **recently played playlists.**
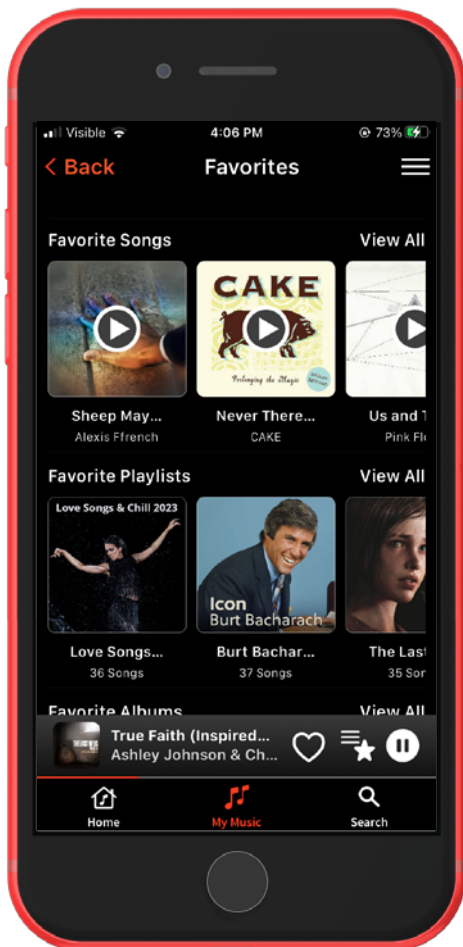

3

View All will take you to a playlist page.
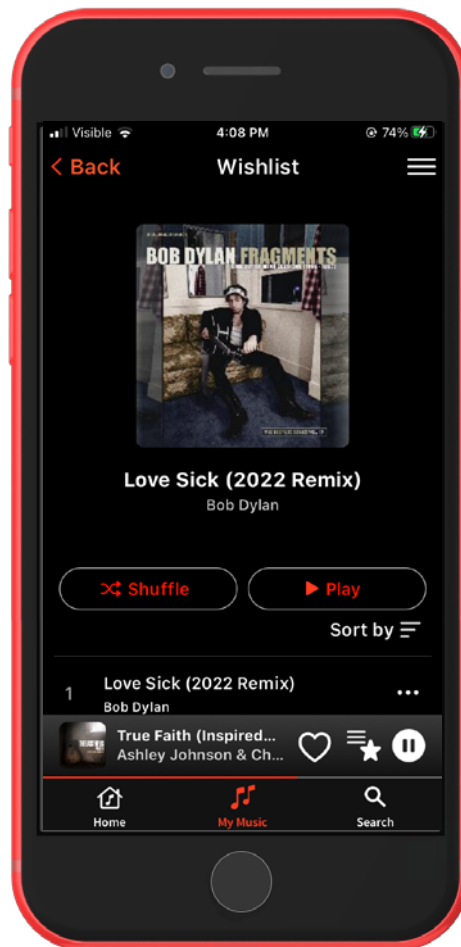

Your Music

Favorites, Wishlist, Downloads

You can find links to your **Favorites, Wishlist** and **Downloads** from the bottom navigation.

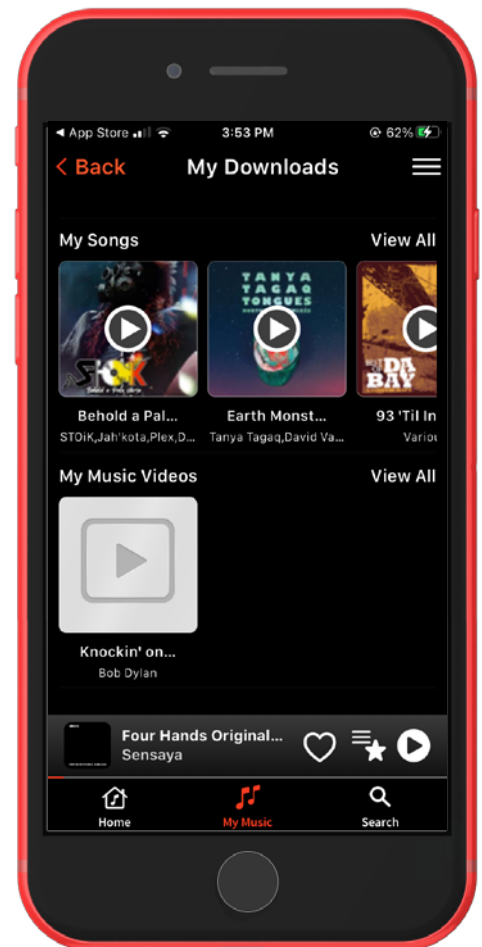

1

Your **Favorites** screen is a collection of all your favorite songs, playlists, albums and artists**.**

2

Your **Wishlist** is your way of saving songs that you can later download or add to **Favorites.**

3

Your **Downloads** show everything you've already downloaded in the app.
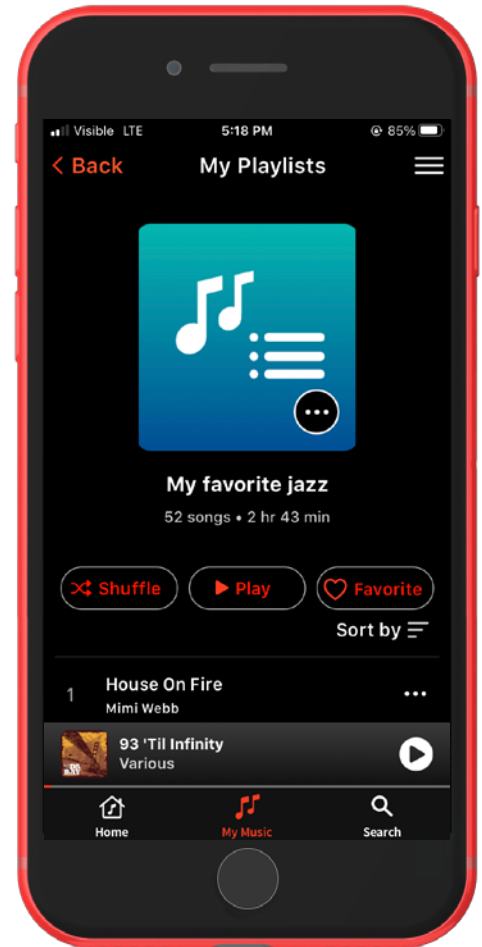

Playlists

1

You can find the **My Playlists** screen by tapping on **My Music** in the bottom navigation and from that menu, tapping **My Playlists.**

This screen shows **Recently Played Playlists** and your own personal **My Playlists** (shown with the generic blue covers).

2

Your personal Playlists are playlists that you have created.

3

Each playlist that you create behaves the same as other albums and playlists.
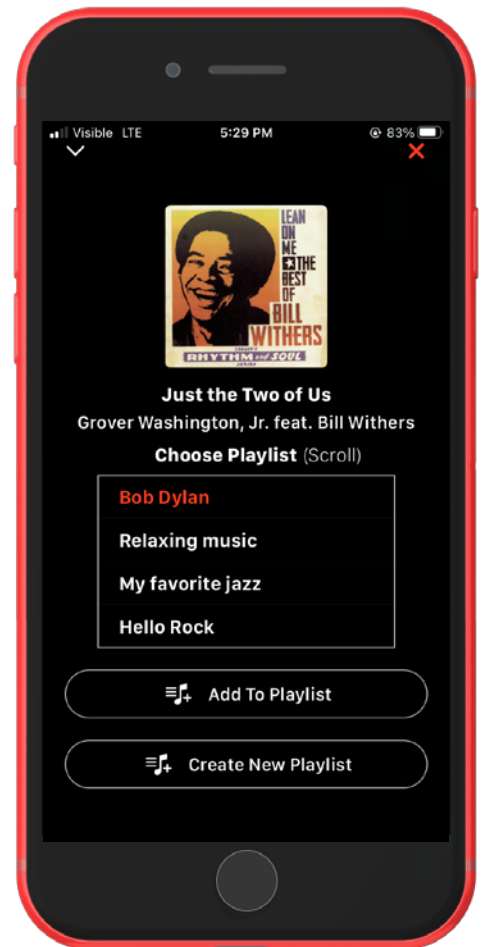

Your Music

## Creating Playlists

1

Tap on the ellipsis next to any song.

2

Choose the **Add To Playlist** button.

3

This screen will allow you to add to a previously created playlist or create a new one.

# Your Music

Creating Playlists Continued...

1

Tap on the **Create New Playlist** button.

2

Enter a **name** for your playlist and a description if you'd like one (optional).

Tap **Create Playlist.**

3

A confirmation screen will slide up.
Deleting Playlists

1

Visit your **My Playlist** screen from the **My Music** menu.
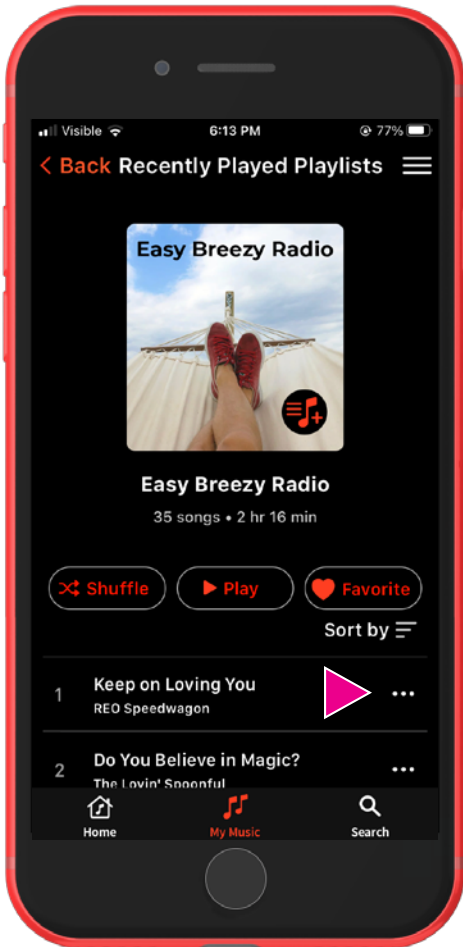

Tap on the cover of the playlist.

2

Tap on the **ellipsis icon** on the cover of the playlist screen.

3

Tap the **Delete Playlist button** and confirm the dialog box.

Your Music

## Downloading Songs to Keep

1

Tap on the **ellipsis icon** next to any song.

2

Tap the **Download Song** button.

3

After downloading, you will receive a confirmation.
